Soft Skills — Communication, Team Collaboration, Problem Solving, Analytical Thinking, Time Management, Adaptability, Quick Learning, Attention to Detail

INTERNSHIP

Python Full Stack Developer Intern | Techolas Kochi ,Ernakulam April 2026-present

- Completed an intensive six-month Python Full Stack Development internship, gaining practical knowledge of Python, Django, Flask, HTML, CSS, Bootstrap, JavaScript, SQL, REST APIs, Git, OOP, MVC and responsive application development.
- Designed responsive user interfaces for 10+ web pages using HTML, CSS, and Bootstrap while ensuring cross-browser compatibility, mobile responsiveness, consistent layouts, and improved user experience across multiple screen sizes.
- Developed and integrated 5+ backend modules and REST API endpoints using Python, Django, and Flask, handling user requests, managing SQL databases, and enabling seamless communication between frontend and backend components.

PROJECT

Essanza – Online Perfume E-Commerce Website | Frontend Developer

- Designed and developed a modern perfume e-commerce website with 8+ responsive pages using HTML, CSS, and Bootstrap, delivering consistent performance across desktop, tablet, and mobile devices.
- Created 15+ reusable UI components, product showcase sections, navigation menus, and banners that enhanced usability, accessibility, and overall browsing experience.
- Applied responsive design principles across 3+ breakpoints to optimize page layouts, improve loading efficiency, and deliver seamless navigation across browsers and screen resolutions.
